The Telephone
and Good Roads

The telephone goes hand in hand with good roads.

The telephone overcomes many of the obstacles of bad roads and makes it possible for the farmer and other rural residents to transact business in the city and with neighbors when the roads are impassable.

Progressive farmers are insisting upon good roads and telephones. These two agencies of modern civilization are doing more than all others toward eliminating the isolation of country life. You can have a telephone in your home at very small cost. Send a postal for our free booklet giving complete information.

NOT SO STRANGE AFTER ALL.

You may think it strange that so many people are cured of stomach trouble by Chamberlain's Tablets. You would not, however, if you should give them a trial. They strengthen and invigorate the stomach and enable it to perform its functions naturally. Mrs. Rosie Rish, Wabash, Ind., writes, "Nothing did me the least good until I began using Chamberlain's Tablets. It is decidedly the best medicine for stomach trouble I have ever used." For sale by all dealers.

She can yell for Suffrage all she pleases. But a woman is never "unsexed" until she ceases to worry whether or not her hat is so straight.

LONDON HOSTESS HAS CARES

Society Woman of English Metropolis Entertains Whoever Wants to Attend Her Party.

London.—Of the troubles which beset the society hostess the "self-sought invitation" is the worst. Many persons seem quite lost to shame on the subject.

It would be thought that if one is not asked to Lady Dash's tea party it would seem fairly obvious he had better stay away. Still more so in the case of her "small" ball at Claridge's, where it is well known that every "card" sent must cost a substantial sum.

But as soon as the announcement appears the prospective hostess is inundated with reminders that the So and So's have come to town, likewise the Robinson Smiths and Smith Robinsons, not by any roundabout methods, such as a counter invitation, but by a plain, straightforward request to be asked to her dance. All her relations receive requests asking them to get invitations. They may be on the worst terms with her or may not have seen her for years, but as soon as she gives an entertainment all her most distant acquaintances are written to "for a card."

JOY IN NAVY; MUCH TOBACCO

Secretary of Navy Daniels to Let Men on "Dry Ships" Have Any Brand They Wish.

Washington.—General satisfaction was expressed throughout naval circles when it became known that Secretary Daniels, contrary to expectations, had authorized the retention of popular brands of tobacco and articles which it had been rumored would be denied admission to the commissary stores.

The action of the secretary following the enforcement of his order abolishing the officer's wine mess officially upset what had become a general belief among the enlisted men that they would be denied certain proprietary articles they have enjoyed.

Under the new order not only will those articles be retained, but it is intended to assure greater latitude of choice to the men by admitting additional brands of tobacco and personal commodities.

VIENNA WOMEN BAR FLIRTING

Start Crusade Against Male Flirts—Will Petition Parliament to End Pursuit by Legislation.

Vienna.—Women of Vienna have begun a crusade against male flirts. Frau Marianne Hainisch, founder and president of the Austrian Women's clubs, drew up a slashing indictment of the offenders at a recent meeting, which resulted in a resolution to petition parliament to make an end of the flirts' pursuit by legislation.

Today girls here are constantly exposed to the impertinence of men. If a policeman is asked to protect them if only laughs, or perhaps arrests the girl.

The petition, which was drafted at the close of the meeting, will be presented to parliament in the June session. Several hundred thousand signatures are attached to it. The Austrian Women's clubs do not feel overconfident of its being adopted.

TALKS AGAIN AFTER YEARS

Diver Made Deaf by Shark Recovers Speech and Hearing Following a Fit.

London.—A strange story of a deaf and dumb diver recovering his speech and hearing after ten years comes from Ashford, Kent.

While performing conjuring feats in the cattle market, the man, named Egan, had a fit, which is believed to have removed a clot of blood, and when he recovered he surprised his friends by speaking quite clearly.

Egan says that ten years ago while diving near a wreck in American waters, he was attacked by a shark, which bit him on the leg. The shock caused him to become a deaf mute, and he had since eked out a living by traveling about performing conjuring tricks. He intends to return to the United States, where his relatives live.

DOUBLE HOUSE IS A HOME

Ohio Supreme Court at Columbus So Rules in Deciding Building Suit.

Cleveland, O.—The supreme court of Columbus ruled that a double house is a place of residence. It threw aside all traditions that it was just a place of existence and not a home with home's privacy because of proximity of neighbors.

The ruling came in dissolving an injunction issued by Cuyahoga county appellate court restraining Carrie Hunt from building a double house on Gooding avenue, near Parkwood drive.

Francis D. Held, 10631 Gooding avenue, who brought the injunction suit, claimed that restrictions in the deed precluded erection of anything but a single house.

Hold a Take-It-Back Day.

Carmen, Okla.—Take-it-back day will be observed here annually on a day set by the mayor. All who have borrowed money or articles during the year will be reminded on that day and are expected to redeem the debt.

ARE YOUR KIDNEYS WELL?

Many Paris People Know the Importance of Healthy Kidneys.

The kidneys filter the blood. They work day and night. Weak kidneys remove impurities. Weak kidneys allow impurities to multiply.

No kidney ill should be neglected. There is possible danger in delay. If you have backache or urinary troubles.

If you are nervous, dizzy or worn out, Begin treating your kidneys at once.

Use a proven kidney remedy. None endorsed like Doan's Kidney Pills.

Recommended by thousands.

Proved by Winchester testimony. A. G. McCauley, 134 S. Maple St., Winchester, Ky., says: "I had pains through my kidneys and the kidney secretions were scanty and painful in passage. On the recommendation of a friend, I got a box of Doan's Kidney Pills and the results of their use convinced me of their merit. I now gladly confirm what I said about them before."

The above is not an isolated case. Mr. McCauley is only one of many in this vicinity who have gratefully endorsed Doan's. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for Doan's Kidney Pills, the same that Mr. McCauley had. 50c all stores. Recipe for Long Youth.

Old age can be cured. The prescription is a simple one: mix open air and a hobby, shake well, and take as many hours a day as possible. No one begins to age until he is bored, and the first gray hair comes when a man suddenly thinks to himself: "What's the use?" Then is the time when a hobby makes life interesting again.—Lippincott's.

THE CASE OF L. L. CANTELOU.

The case of L. L. Cantelou, Clarendon, Texas, is similar to that of many others who have used Chamberlain's Colic, Cholera and Diarrhoea Remedy. He says, "After trying a doctor for several months, and using different kinds of medicine for my wife who had been troubled with severe bowel complaint for several months, I bought a 25c bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. After using the second bottle she was entirely cured." For sale by all dealers.

THE TWENTY YEAR TEST.

"Some twenty years ago I used Chamberlain's Colic, Cholera and Diarrhoea Remedy," writes Geo. W. Brook, publisher of the Enterprise, Aberdeen, Md. "I discovered that it was a quick and safe cure for diarrhoea. Since then no one can sell me anything said to be 'just as good.' During all these years I have used it and recommended it many times, and it has never disappointed anyone." For sale by all dealers.

Path of Learning.

No man can learn patience except by going out into the hurly-burly world and taking life as he finds it.—Beecher.

SUMMER CONSTIPATION DANGEROUS.

Constipation in Summer-time is more dangerous than in the fall, winter or spring. The food you eat is often contaminated and is more likely to ferment in your stomach. Then you are apt to drink much cold water, thus injuring your stomach. Colic, Fever, Ptomaine Poisoning and other ills are natural results. Po-Do-Lax will keep you well, as it increases the bile, the natural laxative, which rids the bowels of the congested poisonous waste. Po-Do-Lax will make you feel better. Pleasant and effective. Take a dose to-night. 50c, at your Druggist.

A MISTAKEN IDEA

There are some people who still resort to drugged pills or alcoholic syrups to overcome colds, nervousness or general debility, and who know that the pure, unadulterated nourishment in Scott's Emulsion is eminently better, but refrain from taking it because they fear it may lead to excessive fat or obesity.

This is a mistaken idea, because Scott's Emulsion first strengthens the body before making flesh. Its blood-forming properties aid nature to throw off sickness by building health from its very source, and flesh is formed only by its continued use. Avoid alcoholic substitutes for SCOTT'S.

DRANK FLY POISON.
